

# *New Forest Centre – Autumn Leaves 2024*

*to be held on  
Sunday 13<sup>th</sup> October*

We finish the season by gathering at a venue where the emerging autumn colours are on display and then enjoy a good lunch with convivial company.

We will meet at the Longstock Park Farm Shop Café around 10.30 for refreshments before driving or walking (around 25 minutes) to the Longstock Park Water Garden. In 1945 John Lewis's founder created this tranquil garden set around a lake fed by a tributary of the River Test. You can admire many specimen trees, which should be displaying their autumn finery. Admission is £10. From there we will take a short planned drive to a Sunday Lunch at the Malthouse, Stockbridge Road, Timsbury, SO51 0NG. You can choose to have refreshments and visit the gardens only if you wish, or join us for lunch without going to the gardens, or all the event.
